

Parents/Guardians:

Each grade-level team of teachers will be offering after-school tutoring to support students in, English, History, Math, Social Studies and elective classes.

Tutoring sessions will take place on Tuesdays and Thursdays from 2:45–3:45 p.m., beginning Thursday, November 5th . **Parents will need to arrange transportation for students at 3:45 p.m.**

Students may attend as needed, based on their individual academic needs, and are not required to stay both days each week. **If a student chooses to attend, it is their responsibility to let their parent/guardian know and confirm transportation home.**

To participate, students must have a signed permission form on file. We encourage every family to return this form so that students have the option to stay for tutoring at any point throughout the school year. **Please note: no student will be allowed to stay without a signed form on file.**

If you have any questions, please contact your child's team leader.
