

STEEPLECHASE ELEMENTARY VOLUNTEER BACKGROUND CHECK

The Boone County School District is committed to providing a safe and secure working environment for its students, employees, and parents. All school volunteers must have a criminal background check on file to ensure school safety. Background checks must be done every 2 years.

Before you are able to volunteer, chaperone, etc. your criminal background check must be complete. Your form will be processed and the results returned to the school. Some convictions require review. If the conviction is of such a nature that would put the school district at risk, the Principal/Superintendent has the authority to refuse an individual from volunteering in the school district.

Each individual background check is \$10.00
Background checks will NOT be completed without payment.
Fees are payable to Steeplechase Elementary School
by cash, check or money order.
