

RIVERSIDE AREA

NOV. 3
2026

What the levy means for the Riverside feeder area.

CURRENT LEVY AT WORK

Work on a New HVAC System & Roof at DuPont Middle School is Ongoing

POTENTIAL NEXT PROJECT

Chesapeake Elementary School

Complete HVAC system Replacement + roof replacement

Projected Cost: \$4,930,000

THE LOCAL IMPACT, BROKEN DOWN

BUILDINGS

Levy funding makes major school upgrades possible, including HVAC and roofing projects KCS could not otherwise complete.

The current levy is funding a new secure entrance at DuPont, and a new secure entrance at Sharon Dawes. A previous levy paid for six new roofs and two new HVAC systems for schools in the RHS feeder area.

PEOPLE

Levy funding adds staff beyond state-funded levels to better serve students. Positions include:

- KCS Security Officers
- Elementary Art Teachers
- Special Education Staff
- Nurses
- Counselors
- Maintenance Staff

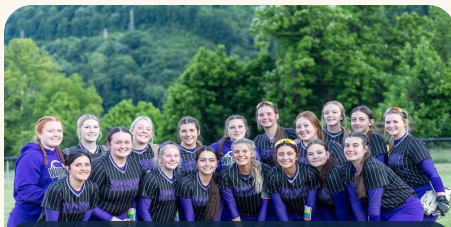

PROGRAMS

Levy funding supports and expands programs for students and staff, including: special education services, robotics, distance learning, and new middle school CTE opportunities. The levy also pays for textbooks and instructional materials.

EXPERIENCES

Levy funding supports athletics and extracurricular activities, including:

- Coaching & athletic trainer supplements
- Facility and ADA playground upgrades
- Transportation for games and field trips.

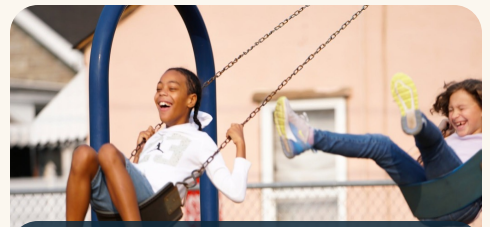

CURRENT LEVY AT WORK

Turf work at the RHS Baseball and Softball fields begins in 2027

THE LEVY IN ACTION

Levy funding supports additional counselors, giving students more opportunities to explore life after high school, including at events like the College Fair

BEYOND THE CLASSROOM

The levy allows schools to update and maintain playgrounds

CURRENT RATES. NO OVERLAP.

If approved, current KCS excess levy rates would continue. Property tax bills can still change if assessed values or other levies change.

Potential projects shown are preliminary examples for planning purposes. Final projects and schedules may change.
