SUMMARY OF STATE DATA MEASURES:

- Academic data reported is from the spring 2026 Kentucky Summative Assessments (KSAs):
 - READING & MATH:** assessed in grades 3-8, 10, and 11
 - SCIENCE, SOCIAL STUDIES AND WRITING** results reported from one grade each, elementary middle and high school. Science is assessed in grades 4, 7, and 11, Social Studies & Writing: assessed in grades 5, 8, and 11
- All students taking the KSAs (grades 3-8, 10 and 11) also complete a school climate survey, which is used to determine the indicator status for the **Quality of School Climate and Safety**.
- English Language Learners** in grades K-12 complete the ACCESS and alternate ACCESS test to demonstrate language proficiency in listening, speaking, reading, and writing.
- High schools report **postsecondary readiness** from grade 12, including academic readiness, determined by college admissions or college placement exams, college credit hours, earning a or benchmark score on a nationally recognized exam, OR career readiness, such as completing an apprenticeship program, industry-recognized certification, licensure, or credentials.
- High schools report **graduation rate**: The percentage of students completing the requirements for a high school diploma compared to a cohort of students beginning in ninth grade.
