

Alpine Online's Attendance Policy

The Four Pillars of Attendance

The details of the policy can be found in the school handbook.

Student Learning

Provide weekly evidence of student learning

Ex: submit assignments for grading, complete assignments fully and well

Full Participation

Provide weekly evidence of full participation each week

Ex: assignments demonstrate student learning, and not just a quick output

Communication

Provide weekly evidence that validates teacher/family communication

Ex: respond to emails, phone calls

Time in class

Provide evidence of an appropriate amount of time spent in online lessons.

Ex: Students should spend at least 30 minutes a day in each class
