# Dress Code Expectations

As we prepare for another exciting school year at Schultz Elementary, we want to thank you for your continued partnership in supporting the success of our students. With back-to-school shopping underway, we would like to take this opportunity to remind families about the Klein ISD student dress code expectations outlined in the Student Handbook. Our goal is to provide a safe, respectful, and distraction-free learning environment where every child can thrive.

As you shop for school clothes, please ensure your child's attire aligns with the Klein ISD Student Handbook and Dress Code guidelines. While styles and trends change, students should wear clothing that is appropriate for an elementary school learning environment. Please keep the following expectations in mind:

Clothing should provide appropriate coverage and fit comfortably for a full day of learning and active participation.

Shirts, tops, and bottoms should meet district guidelines for modesty and appropriate coverage.

Clothing with inappropriate language, profanity, references to weapons, or offensive images or messages is not permitted.

Clothing or accessories that create a disruption to the learning environment or pose a safety concern are prohibited.

We encourage families to review the Klein ISD Student Dress Code together before purchasing school clothing. Taking a few moments to review the expectations can help prevent situations where a student may need to change clothes or contact home during the school day because their attire does not meet district guidelines.

Our goal is not to limit students' individuality, but to ensure that every child is dressed for success in a learning environment that is safe, respectful, and focused on academic excellence.

Thank you for your continued support and partnership. Together, we will make this an outstanding year at Schultz Elementary! We can't wait to welcome our Eagles back to campus as we Go for Blue!
