

Unicoi County Schools Enrollment Information

2025-2026 School Year

Enrollment for new students and access to enrollment forms will open on Monday, July 14, 2025.

New Families: If you are enrolling a new student in the district, please visit <https://www.unicoischools.com/registration> to submit your information for entry into Skyward.

Returning Families: If you already have a student in the district but do not know your Skyward login information, please call 423-743-1600 for assistance between July 14 and July 22. After July 22, individual schools will be open and able to assist with password resets directly.

Need Help? There will be someone at each school during open house to help answer questions. You will need to have a personal email address to have entered into Skyward for parent access.

Required Documents for New Enrollments: All new students must provide a copy of their birth certificate and proof of residence. A photo taken with your phone is acceptable. You may upload these documents online or bring them to the school in person. If there are any issues with the documentation, the school will contact you directly.

We look forward to welcoming your students for a great school year!
