TCAP Achievement (Paper-Based)	Reading Math Science (grades 3 – 5) Social Studies (grades 4 – 5)	Grades 2 – 5	April 7 – May 6, 2027	The TCAP tests are designed to assess true student understanding, not just basic memorization, and test-taking skills. TCAP measures student understanding of our current state standards.	Quick score reports, which provide teachers and parents with a snapshot of their student's performance, are provided to districts by the end of school year. These are used to help calculate final grades for report cards. Districts receive individual performance reports, which summarize student performance in more detail, and we will share those reports in the Fall 2025.
