Payment Calculation

Directions: To determine the total amount owed, enter the total number of exams selected above and multiply that number by $100. For example, if you selected 3 exams, you would enter a 3 in the "Number of Exams Selected Above" field and $300.00 in the "Amount" field. If needed, calculate the late payment in row 2. Your final payment amount will be the sum of A and B.

A	Number of Exams Selected Above:		X $100 =	
B	Number of Exams Selected Above after October 31, 2026:		X $40 (Late Fee) =	
			Total Payment (Sum of A & B)
