

FEBRUARY ECLC NEWSLETTER

December Recap

COLORS AND CREATION

January was a month of renewal and rejuvenation for our children at ECLC. They started the year off by exploring colors in the world around them. Fingerpainting, scavenger hunts, and scarf dances brought their learning about colors to life, and it allowed children the opportunity to apply their knowledge to real world concepts.

Children later explored how to manipulate different tools and colors to create their own masterpieces using their imagination!

What's Ahead

SHAPES AND MOVEMENT

As we look ahead, children will begin to explore shapes and their attributes. We can expect to see and hear conversations about the similarities and differences between shapes and their sizes. Students will also be given the opportunity to discuss movement and what that looks like for people and transportation.

Upcoming

- February 12th - Valentine's Class Parties at 2:00
- February 13th - ECLC opens at 8:00
- February 16th - ECLC is closed
- Tuition is due

YOUR CHILD'S LEARNING FROM THE CLASSROOM

SUPPORTING YOUR CHILD'S LEARNING FROM HOME

FINE MOTOR:

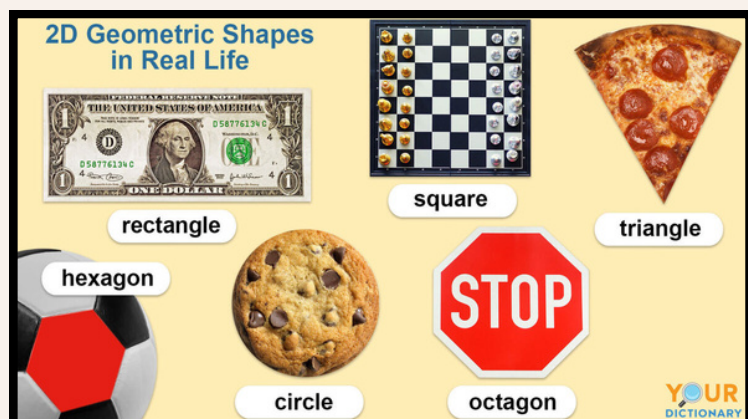

Construct different shapes with real world items

GROSS MOTOR:

Have children explore different things that go: scooters, tricycle, roller skates, and bikes

LANGUAGE AND COMMUNICATION:

Play a game of "I Spy" with real world items that are shapes

SOCIAL-EMOTIONAL:

Read a story about things that go
