

# MARCH ECLC NEWSLETTER

## February Recap

### SHAPES AND TRANSPORTATION

February was a month of exploring different sized shapes and different forms of transportation. Children went on scavenger hunts, engaged in imaginative play, read stories and colored different sized shapes. They also expanded their knowledge by exploring the different forms of transportation within our community. Our local transportation and maintenance department extended some of their big machinery so that children could investigate them.

## What's Ahead

### NURSERY RHYMES AND CRITTERS

As we look ahead, children will begin to explore nursery rhymes and critters. Our toddlers will be learning nursery rhymes through read alouds, imaginative play, and songs. Our preschoolers will engage in exploring different types of insects.

## Upcoming

- March 6<sup>th</sup> - Story Palooza at 2:30
- March 12<sup>th</sup> & 13<sup>th</sup> - County Fair Days
- March 16<sup>th</sup> -20<sup>th</sup> Spring Break
