Hello PCRHS Families,

We have had an incredible school year! Thank you to all of our families for sharing your amazing students with our team. Together, we have built a truly special school family, and we could not be more proud of everything our students have accomplished this year. Their perseverance, growth, and achievements have made this a year to remember.

Please see below for details regarding our graduation ceremony tonight at 7:00pm. All PCRHS families are welcome and encouraged to join us as we celebrate our grads!

As we close out another successful school year, we wish all of our students and families a summer filled with fun, relaxation, family, and friends. We look forward to reconnecting in August with information and updates for the 2026–2027 school year.

Thank you for your continued support of PCRHS. It is a privilege to serve your students and families.

Have a wonderful summer!

Brian Smith, Principal
Paradise Creek Regional High School
