

# PCRHS UPDATE

Hello PCRHS Families,

We have reached our first progress checkpoint of the 4th quarter. As assignments are graded, we will send home letters if we have concerns regarding any student's academic progress. We want to thank all students for continuing to give their best as we head toward the end of the school year!

Please remember that next Thursday, April 30 is our Title I BINGO Night at the 1912 Center from 5:30-7:00 PM. We will have free food, games, and great prizes. This is a great opportunity for the whole family to come together and have some fun!

Please see below for important upcoming dates and details.

Thank you!

Brian Smith, Principal  
Paradise Creek Regional High School

## DATES & DETAILS

### Friday, April 24 - Q4 Progress Report #1

- Classwork assigned during this three week period will no longer be collected and graded after this date.
- Please note, teachers will have individual due dates within the three week window. Failure to submit on the due dates will result in point deductions and/or no points on specific assignments.
- Progress reports for students at risk of failing courses within the three week period will be sent home after this date.

### Wednesday, April 29 - Benchmark Assessing and Tree Planting

- All students currently enrolled in PCRHS classes will be taking their final Literacy and Math benchmark assessments on this date. These assessments are used to measure academic growth throughout the year as well as guide interventions and future class placements.
- After assessing, we will be traveling to a planting site for an afternoon of outdoor ecology work with the Palouse-Clearwater Environmental Institute.
- Students should come dressed for working in soil outside.
