Hello PCRHS Families,

We had an amazing time during our Elk Creek fishing EFD!

The adventures continue as we prepare to attend the Coeur d'Alene Water Summit on Tuesday, May 19. **We will depart the building at 8:30am.** On the trip students will be showcasing their ecology presentations alongside peers from across the region. Please note that all students with courses in the building will attend this trip, even if they are not currently enrolled in Ecology.

As we make our final push through Quarter 4, please review the important dates and details below. This includes having a no school day on Monday, May 18 due to teacher professional development.

Please do not hesitate to reach out if you have any questions.

Thank you!

Brian Smith, Principal
Paradise Creek Regional High School

DATES & DETAILS

Friday, May 15 - Q4 Progress Report #2

- Classwork assigned during this three week period will no longer be collected and graded after this date.
- Please note, teachers will have individual due dates within the three week window. Failure to submit on the due dates will result in point deductions and/or no points on specific assignments.
- Progress reports for students at risk of failing courses within the three week period will be sent home after this date.
