Hello PCRHS Families,

I want to extend a huge congratulations to our Ecology students who competed at the Water Summit this week! Our students showcased high-level projects and represented PCRHS with impressive professionalism, knowledge, and presentation skills. We are incredibly proud of their hard work and the way they represented our school.

We are quickly approaching the finish line for the school year. Please review the important upcoming dates and details below as we close out another great year together. This includes no school on Monday, May 25 in observance of Memorial Day.

Thank you for your continued support!

Brian Smith, Principal
Paradise Creek Regional High School
