2025-2026

PCRHS UPDATE

Hello PCRHS Families,

We are now cruising through 4th quarter! Please note, our first academic cut off day is next Friday, April 24. All work assigned prior to that date will be due. If your student receives an invitation to Breakfast Club on Tuesdays or Thursdays, it is essential they come on time at 8:30am as this is our best tool for providing student support and ensuring they are staying on top of all assignments.

Please do not hesitate to reach out if you have any questions.

Thank you!

Brian Smith, Principal
Paradise Creek Regional High School

DATES & DETAILS

Friday, April 24 - Q4 Progress Report #1

- Classwork assigned during this three week period will no longer be collected and graded after this date.
- Please note, teachers will have individual due dates within the three week window. Failure to submit on the due dates will result in point deductions and/or no points on specific assignments.
- Progress reports for students at risk of failing courses within the three week period will be sent home after this date.

Wednesday, April 29 - Benchmark Assessing and Tree Planting

- All students currently enrolled in PCRHS classes will be taking their final Literacy and Math benchmark assessments on this date. These assessments are used to measure academic growth throughout the year as well as guide interventions and future class placements.
- After assessing, we will be traveling to a planting site for an afternoon of outdoor ecology work with the Palouse-Clearwater Environmental Institute.
- Students should come dressed for working in soil outside.
- Please see the schedule below!
  - 9:45am-10:55am - IXL Benchmark Assessment #1
  - 10:55am-11:05am - Break
  - 11:05am-12:15pm - IXL Benchmark Assessment #2
  - 12:15pm-12:45pm - Lunch
  - 12:45pm-5:15pm - Required PCEI Ecology Trip

Thursday, April 30 - BINGO Night!

- We are hosting a PCRHS Family BINGO Night from 5:30pm-7:00pm in the 1912 Center!
- We will have free food, BINGO Games, and great prizes!
- All PCRHS students and family members are welcome!
- This is a great opportunity to get out and enjoy a free night of fun with your family!

Tuesday, May 12 - Elk Creek Reservoir Fishing EFD

- For our Q4 Enforced Fun Day, we will be traveling to the Elk Creek Reservoir for a day of fishing, beach games, hiking, and food!
- All PCRHS students are required to attend.
- The bus will leave at 9:45am and return in time for a 5:15pm dismissal.
- All fishing materials will be provided by Idaho Fish & Game.
- More details will be shared closer to the event.
- This trip should be a blast!

Friday, May 15 - Q4 Progress Report #2

- Classwork assigned during this three week period will no longer be collected and graded after this date.
- Please note, teachers will have individual due dates within the three week window. Failure to submit on the due dates will result in point deductions and/or no points on specific assignments.
- Progress reports for students at risk of failing courses within the three week period will be sent home after this date.
