2025-2026

PCRHS UPDATE

Hello PCRHS Families,

We did it! I want to sincerely thank all of our students for the effort, focus, and perseverance they showed in completing the ISAT and SAT assessments. These weeks can be demanding, and we are very proud of how our students showed up and gave their best.

I also want to personally thank Jim, Jenni, and Ruby for the time, care, and attention they put into coordinating and proctoring the assessments. Your work behind the scenes made a big difference and helped everything run smoothly.

As we head into Quarter 4, we have many great opportunities ahead for our students. Please check out the important dates and details below and feel free to reach out if you have questions.

Thank you !

Brian Smith, Principal
Paradise Creek Regional High School

DATES & DETAILS

Friday, April 24 - Q4 Progress Report #1

- Classwork assigned during this three week period will no longer be collected and graded after this date.
- Please note, teachers will have individual due dates within the three week window. Failure to submit on the due dates will result in point deductions and/or no points on specific assignments.
- Progress reports for students at risk of failing courses within the three week period will be sent home after this date.

Wednesday, April 29 - Benchmark Assessing and Tree Planting

- All student currently enrolled in PCRHS classes will be taking their final Literacy and Math benchmark assessments on this date.These assessments are used to measure academic growth throughout the year as well as guide interventions and future class placements.
- After assessing we will be traveling to a planting site for an afternoon of outdoor ecology work with the Palouse-Clearwater Environmental Institute.
- Please see the schedule below!
  - 9:45am-10:55am - IXL Benchmark Assessment #1
  - 10:55am-11:05am - Break
  - 11:05am-12:15pm - IXL Benchmark Assessment #2
  - 12:15pm-12:45pm - Lunch
  - 12:45pm-5:15pm - Required PCEI Ecology Trip

Thursday, April 30 - BINGO Night!

- We are hosting a PCRHS Family BINGO Night from 5:30pm-7:00pm in the 1912 Center!
- We will have free food, BINGO Games, and great prizes!
- All PCRHS Students and family members are welcome!
- This is a great opportunity to get out and enjoy a free night of fun with your family!

Tuesday, May 12 - Elk Creek Reservoir Fishing EFD

- For our Q4 Enforced Fun Day, we will be traveling to the Elk River Reservoir for a day of fishing, beach games, hiking, and food!
- All PCRHS students are required to attend.
- The bus will leave at 9:45am and return in time for a 5:15pm dismissal.
- More details will be shared closer to the event.
- This trip should be a blast!

Friday, May 15 - Q4 Progress Report #2

- Classwork assigned during this three week period will no longer be collected and graded after this date.
- Please note, teachers will have individual due dates within the three week window. Failure to submit on the due dates will result in point deductions and/or no points on specific assignments.
- Progress reports for students at risk of failing courses within the three week period will be sent home after this date.
