Brownsville ISD Earns “B” Rating in 2026 State Accountability Ratings

District celebrates strong campus-level performance, including 17 campuses earning an A rating from the Texas Education Agency

BROWNSVILLE, Texas — The Brownsville Independent School District has once again earned an overall “B” rating in the 2026 Texas Education Agency (TEA) academic accountability ratings, reflecting the continued dedication of BISD students, teachers, staff, and families across the district.

District leaders say the results reaffirm the district's steady academic progress and highlight the strong performance of individual campuses at every grade level, from elementary schools through early college high schools.

2026 Campus Ratings by School Level

Elementary Schools (31 campuses)

Campus Rating	Number of Campuses
A	11
B	18
C	1
D	1

A-rated campuses: Benavides Elementary, Brite Elementary, Burns Elementary, Garden Park Elementary, Gonzalez Elementary, Hudson Elementary, Paredes Elementary, Pena Elementary, Russell Elementary, Sharp Elementary, and Yturria Elementary.

Middle Schools (10 campuses)

Campus Rating	Number of Campuses
A	2
B	8

A-rated campuses: Faulk Middle School and Stillman Middle School.

Early College High Schools (7 campuses)

Campus Rating	Number of Campuses
A	4
B	3

A-rated campuses: Brownsville Early College High School, Hanna Early College High School, Rivera Early College High School, and Veterans Memorial Early College High School.

Looking Ahead

BISD remains committed to building on this year's results by expanding successful instructional practices from its highest-performing campuses, strengthening support for campuses working toward improvement, and continuing to invest in teachers, students, and families across the district.

The district thanks its students, educators, staff, and parents for their continued dedication to academic excellence throughout the 2025–2026 school year.
