

Dear Anderson Families,

Our district values feedback! We are currently surveying Anderson families in order to gain insight into your perception of our school and district effectiveness. To ensure we continue to provide high-quality, rigorous learning experiences that meet the needs of our students and prepare them for college and career, we need your feedback.

To administer these surveys, we have partnered with Panorama Education. All responses to the survey will be completely confidential. The survey shouldn't take more than a few minutes to complete and will be a valuable source of information for us as we work to make our schools and district stronger.

You may complete the survey online between Monday, January 5 and Friday, January 23 using a computer, tablet, or smartphone by visiting the website <http://surveys.panoramaed.com/hcps/fam0121>

We thank you in advance for your thoughtful responses. If you have any questions about the survey, please don't hesitate to contact us at Taylor.Maddox@hcps.net

Thank you,

Lydia Sierra
