Uniform Policy

Carrollwood K-8 School

Dear Parents:

We look forward to a year filled with challenges and opportunities. In an effort to maximize the learning environment at Carrollwood, our mandatory uniform policy was voted on and enacted in June 2013. As a result, the uniform policy will be enforced.

There are many benefits to supporting a uniform policy and research supports that the wearing of a school uniform:

*provides a sense of pride and self-esteem that enhances the attitude of students towards their school

*allows students to focus on the learning process

*saves time and money

*creates greater school recognition

*helps maintain a safe and secure environment

Students in uniforms are easily identified by staff at school and school related activities. This also allows staff to easily identify visitors on our campus.

All students are expected to wear a school uniform. Any exception to the uniform policy must make an appointment with the School Advisory Council for the current school year and may complete an application at that time. Students opting out of the student uniform policy will be governed by the District Dress and Grooming Policy.

Thank you for supporting our mandatory uniform policy during this school year.

Sincerely,

MaryJo Stover
Principal
