Do You Have Concerns About Your Child?

FDLRS CHILD FIND

FDLRS is funded by the Florida Department of Education, Division of Public Schools, Bureau of Exceptional Education and Student Services, through federal assistance under the Individuals with Disabilities Education Act Part B and State General Revenue funds.

Florida Diagnostic & Learning RESOURCES SYSTEM

DEVELOPMENTAL MILESTONES

Every child develops at different rates. The skills listed below have been identified by the Centers for Disease Control (2023) as the developmental skills that typically occur by the age noted.

24 MONTHS

- Looks at your face to see how you react in a new situation
- Says at least two words together, like "More milk"
- Tries to use switches, knobs, or buttons on a toy
- Kicks a ball

30 MONTHS

- Shows you what they can do by saying, "Look at me!"
- Says at least 50 words
- Uses things to pretend play, like feeding a block to a doll as if it were food
- Jumps off the ground with both feet

36 MONTHS

- Notices other children and joins them to play
- Talks with you in conversation
- Uses a fork
- Draws a circle when you show them how

4 YEARS

- Likes to be a helper
- Answers simple questions, like "What is a coat for?"
- Names a few colors of items
- Unbuttons some buttons

5 YEARS

- Follows rules or takes turns when playing games with other children
- Uses or recognizes simple rhymes
- Writes some letters in name
- Hops on one foot
