Dear Randall Families,

Our district and school values feedback! In January we will ask families, staff and students to take a brief survey to tell us about their experiences in school. The survey will begin on **January 4, 2027,** and will close **January 22, 2027**.

Students are important partners as we work to improve school experiences for everyone. To learn more about the student experiences at school, we will be asking for your child's feedback via an online survey they will be completing at school. The survey will take 15-20 minutes to complete.

We are asking that all of our students in grades 4-12 participate in the surveys, as their feedback will provide invaluable insights into their experiences and how we can improve and adapt our district to their needs. If a student does not feel like they have enough information to answer a question, they will be able to skip the question. The responses to these surveys will be completely confidential. We are partnering with a third-party vendor to support us in administering these surveys.

The survey will ask the students to reflect on School Climate, School Safety, Sense of Belonging, Emotional Regulation, Growth Mindset, and Social Awareness.

Please notify us if you would like your child to opt out of taking the surveys by sharing your name, your child's name and their student ID number below and return it to our **School Survey Coordinator, Amanda Little, by Friday, December 4, 2026.**

Thanks,

Colin Gerding
Principal
