Spooky STEAM Night

SHORE ELEMENTARY MAGNET School of the Arts

THURSDAY, OCT. 29TH
5:30-7:00 PM

INTERACTIVE SPOOKY STEAM ACTIVITIES

Join us on the Court for Interactive Science, Technology, Engineering, Art & Math Activities with a spooky Twist! Each Grade Level will have informative activities & tips and tricks to help at home!

MAGNI-FLYING GHOSTS: Decorate a paper ghost that will "fly" through the pull of magnets

BOO-TIFUL BUILDERS: Use toothpicks and candy pumpkins to build 3D shapes

BONE BRIDGES: Create a blueprint for a bone bridge for length, strength and capacity

DANCING GHOSTS: Using static electricity see a tissue paper ghost fly

SPOOKY SHIPS: See how strong your foil boat can hold before it sinks to the abyss below

CANDY CORN CALCULATIONS: Create candy corn by completing multiplication and division equations

. . . AND MORE SPOOKY STEAM FUN!
