

WEATHER CHANGES: Arrival and Dismissal Procedures 2026-2027

To ensure the safety of all our students and to abide by the city of San Antonio transportation signs, the following procedures are in place and enforced for morning drop-off. Our priority is to keep all children safe while ensuring traffic moves efficiently.

Car Route – Please follow the car route listed below, there are other schools in the area and this will assure we do not impede their traffic flow, as well as we maintain a swift moving line. **The car pick-up route is as follows: East or West on Culebra, turn on Wilson (this street has a light), turn right onto Waverly, turn right onto Elmendorf. The green arrow is where our students will load and unload your vehicle.**

Car Drop Off: Car drop-off begins at 7:30 AM. Parents must enter the parent drop-off lane by following the car pick up route and remain in your vehicle.

Dismissal Procedures

Car riders Dismissal- Place the dismissal tag so that it is visible through the front windshield. A staff member will bring your child(ren) to your car.

- Please be sure to respect our neighbors' properties. Do not block their driveways or trashcans for any amount of time.
- Bring a form of identification as staff will check IDs if they are unfamiliar with the parent or guardian.
