

Advanced Learning Academy Primary At Nelson

Campus Visitors During School Hours Visitor Parking Information

2026-2027

Welcome to Advanced Learning Academy Primary. This document contains information about parking for visitors and special events that occur both during school hours and after school hours. If you have any questions, please do not hesitate to contact our front office at 210-738-9760.

Campus Address: 1014 Waverly Avenue, San Antonio Texas, 78212

Campus Visitors During School Hours (Not a Campus Special Event)

If you need to park during the school day to visit the campus, please use:

- Parking Lot B
 - To access these lots before 8:00 am, follow Culebra → Elmendorf → Kentucky.
- Parking along Waverly Ave in front of the school is available outside of school arrival and dismissal hours in accordance with the visible City of San Antonio road signs. The hours where parking is available include: 9 am - 2 pm or after 4 pm
 - *Thank you for being respectful to our neighbors by not blocking their driveways.*
 - *Parking on Waverly outside of the 9- 2 pm window will result in SAISD PD notification as it affects the safety and flow of our arrival and dismissal traffic.*
 - *Please note–SAPD regularly patrols the area and issues tickets to cars that are not following street signs or are parked on the bridge.*
- Special Notes:
 - All visitors during the school day should enter through Door 1 (front entrance) and bring a photo ID to sign in.
 - Do not attempt to enter the campus through any other door, including the back of the school.
 - Do not park in the large lot at Elmendorf & Kentucky — this belongs to Little Flower. Our staff have a limited number of spaces they can utilize in this lot per our agreement and we cannot occupy additional spots.

Key:

- - - - - walking traffic

———— car traffic

All PreK through 3rd grade students will not be released early from the classroom after 2:45 p.m. At this time, teachers and students are focused on wrapping up the day and heading to the appropriate dismissal locations. If there is an emergency situation, contact our front office and our staff will locate an administrator to support.
