2026-27 Campus Improvement Plan

This data is part of the campus **Comprehensive Needs Assessment** and is used to develop the Campus Improvement Plan targets and performance objectives.

The **Campus Improvement Plan (CIP)** is developed every year by a committee made up of campus leaders, teachers, paraprofessionals, students, families, community members, and business partners. The CIP is reviewed every nine weeks and adjusted based on student outcome data.

2026-27 Campus Improvement Plan

We are committed to ensuring we hear from you and invite you to participate in the CIP reviews at the end of each 9 weeks.

The review dates will be:

October 9th, 2026

January 4, 2027

March 16, 2027

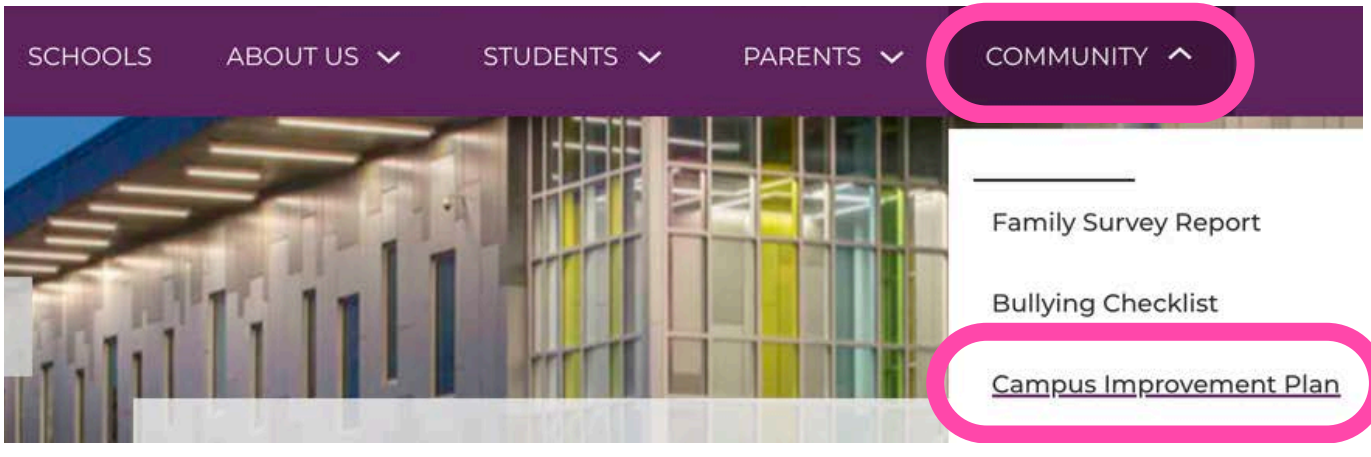

May 4, 2027

2026-27 Campus Improvement Plan

The Campus Improvement Plan is available for review in the front office.

The Campus Improvement Plan is also available on the school website, by clicking on the Community tab.

Title I Program & School-wide Plan

What is Title I?

Title I, Part A of the Elementary & Secondary Act (ESSA) provides federal financial support to schools with a large number of low-income children to increase and improve student achievement.

Schools receive Title I money based on a formula and the number of enrolled low-income students.

Title I School-wide Program

Our school has a school-wide Title I program
based on our
Comprehensive Needs Assessment
and
Campus Improvement Plan.

Title I Campus Program Budget

Title I Campus Budget: $350,320

Instructional Staff: Instructional Coaches (2), Family Impact Manager, School Counselor

Extra Duty Support (Tutoring CRT): $40,000

Supplies & Activities: $8,000

Family Engagement (1%): $3,503.20

Parent & Family Engagement

Parent & Family ENGAGEMENT

The purpose of Title I Parent & Family Engagement is to build capacity by implementing programs and activities for the meaningful involvement of families to improve student academic achievement.

Mission and Vision

The mission of the Office of Family & Community Engagement is to empower every student's success by building caring relationships with families, schools, and the community — creating an environment where everyone is honored and welcomed.

Where ***F.A.C.E.*** meets ***H.E.A.R.T.*** Connecting families and communities with care and compassion.

Value	Description
H: Honor Family-School Partnerships	Implement Karen Mapp's Dual-Capacity Framework for Family-School Partnerships to cultivate effective relationships between families and schools. Provide resources and support for parenting and learning at home, ensuring families are equipped to actively engage in their children's education. Develop campus-specific strategies for effective family engagement and foster decision-making opportunities for families to actively participate in shaping their child's educational journey.
E: Empower Student Success	Develop targeted initiatives to support the district's academic goals, including improving reading and math proficiency, enhancing college readiness, and promoting social-emotional learning. Provide resources and workshops to support student success and academic achievement, ensuring that all students have the necessary support to thrive academically. Facilitate mentorship programs to ensure all students have access to caring adult mentors who can provide guidance and support.
A: Advocate for Community Engagement	Organize district-wide volunteer events and civic engagement initiatives to foster meaningful connections between families, schools, and the broader community. Provide support to schools and departments to enhance family engagement efforts and build strong partnerships with community organizations. Strengthen communication channels to facilitate two-way communication between families and the district, promoting brand awareness and community engagement efforts.
R: Resource Support	Offer support services such as language translation, volunteer services, and constituent support to meet the diverse needs of families and communities. Distribute district-wide communication tools and newsletters to keep families informed and engaged in district initiatives. Maintain resource sites and support groups for families, ensuring they have access to the resources and support they need to thrive. Coordinate community partnerships and outreach efforts to address systemic challenges and promote equity and inclusion within the district.
T: Thrive through Collaboration & Advocacy	Collaborate with stakeholders and families to achieve common objectives and address challenges facing the district. Engage in decision-making processes involving families and stakeholders to ensure their voices are heard and valued. Promote volunteering opportunities and community involvement to encourage active participation in district initiatives. Participate in civic engagement events and advocacy campaigns to amplify the voices of families and advocate for positive change within the community.

Always Learning Plan

The Always Learning Plan is SAISD's strategic management plan that outlines our objectives and activities that support our Board Goals. Family and Community Engagement is addressed in section 3: Our Community: Our Familia Component XI and Component XII. You can monitor our progress on the Always Learning Plan Dashboard or www.saisd.net/alwayslearning.

Unity Prep
Family Engagement

Design, implement, and consistently execute a comprehensive, campus-wide family engagement plan that clearly defines staff roles and responsibilities and strategically increases engagement through aligned academic and/or social-emotional activities, year-long calendar of events (i.e. family nights), consistent communication, strategic staffing (i.e. counselors, social workers, FACE specialists), professional development, and strong partnerships with families and community stakeholders.

Title I Family Engagement Budget: $4,253.00

The PFE policy addresses how the school will build capacity of parents and families to increase student achievement. It also provides details about communication, curriculum, and opportunities for meetings and trainings.

Unity Prep

2026-27 Parent & Family Engagement Policy

Mission Statement
Unity Prep prepares all scholars to learn with purpose, lead with confidence, and serve their communities.

Title I Schoolwide Program Sec. 1116(b)(1), (c)(1), (e)(5)
Our school participates in the Title I, Part A program and receives funding based on the number of identified low-income students enrolled. The purpose of this program is to provide a high-quality education and increase student achievement, including engaging parents and families. In return, we promise to meet the expectations laid out for use by the Texas Education Agency and the U.S. Department of Education.
During the first 9 weeks of school, we will hold at least two Title I meetings and the principal will share information about the Title I program, budget, and services provided to our students, along with your rights as parents. Unity Prep will advertise these meetings through flyers, ClassDojo, and Deanslist messaging.

Family Engagement Program Sec. 1116 (b)(1), (2); (c)(3)
Family engagement is essential for student success, and our family engagement program is described in this family engagement policy. This policy is developed in collaboration with families and is reviewed annually each spring. The school may amend this policy, if necessary, to meet Title I requirements. This policy is available to families and the community on the school's website and paper copies are available in the main office. The policy is available in English, Spanish, and other languages upon request. Una copia de esta póliza está disponible a pedido. Family Participation & Involvement Sec. 1116 (c)(3), (e)(1), (2), (3), (4)
Families are encouraged to participate in school life through parent-led groups such as the PTA/PTO or other volunteer committees. Parents are encouraged to volunteer for classroom and school activities. For more volunteer information and the SAISD Volunteer Application visit: https://www.saisd.net/o/saisd/page/volunteer-community-services

Families can provide suggestions and feedback through surveys, policy/compact reviews, and family meetings. The annual parent and family engagement program evaluation and review meetings will be held after spring break and advertised through paper flyers, social media posts, ClassDojo, and Dean'sList messages.

For more information about how you can get involved contact: Crystal Flores, who can be reached at: Crystal Flores (929) 687-3365 or crystal.flores@unitypreptx.org

The School-Parent Compact is a written agreement between the school and families. It describes how we will work together to increase student achievement.
