KARATE Afterschool

AGES Kindergarten -6th grade

Bennetts Karate has been teaching in Erie, Colorado for over 25 years and is now offering an afterschool karate program for students that are attending Aspen Ridge Preparatory School. Kids will be picked up on site after school at 3:12 pm and moved over to the Bennetts Karate Dojo across the street, located at 1010 Carbon Court, Unit F. During their time at the dojo, students will be involved in martial arts activities each day, be able to work on homework, have a snack and free time until being picked up. This program is intended for students in kindergarten thru 6th grade. This will now be a part of an official karate program so students can gain rank, receive uniforms, and participate in events that the karate school offers.

Pricing can be altered depending on the student's schedule in some cases. This program is not intended for day-by-day registration, but for students that have after-school needs on a consistent basis. Two days per week registration is required. Some months are different than others due to holidays and you can register through the Bennetts Karate website - www.Bennettskarate.com, or call for questions at 303 947-3908. Pricing will be dictated by how many classes you can attend per week, and your pickup window availability.
