Principal's Message

Welcome to Woodbridge High School

Dear Students, Families, Staff, and Community Members,

Welcome to Woodbridge High School, a place where every student matters and every student has the opportunity to thrive. As principal, I am proud to serve a school community that believes in challenging students, supporting their growth, and helping them become the best version of themselves.

Our Mission

At Woodbridge High School, we are committed to providing an exceptional educational experience in a safe, innovative, and supportive environment where every student has the opportunity to succeed. Through meaningful learning experiences, strong relationships, and high expectations, we strive to equip our students with the core values, knowledge, and skills they need to be successful today and prepared to contribute to society tomorrow.

What Makes Us Unique

What makes Woodbridge High School special is the incredible range of opportunities available to our students. Whether they are discovering their passion through our FFA program, competing as a member of one of our athletic teams, challenging themselves through Advanced Placement and Dual Enrollment courses, expressing their creativity through our outstanding Visual and Performing Arts programs, or preparing for their future through one of our many career and technical pathways, there is a place for every student to explore, grow, and excel. We believe that success looks different for every student, and our goal is to provide the opportunities, experiences, and support they need to discover their strengths, pursue their passions, and prepare for life beyond high school.

Our Focus This Year

As we look ahead to the 2026–2027 school year, we are focused on three priorities that will help ensure every Woodbridge student has the opportunity to succeed. First, we will strengthen Tier 1 instruction by increasing meaningful checks for understanding and providing timely, purposeful feedback so that every student knows what they are learning, where they are in their learning, and how they can continue to grow. Second, we will work together to increase

our on-track attendance rate, recognizing that consistent attendance is an essential foundation for academic success, meaningful relationships, and involvement in the school community. Finally, we will continue to grow and strengthen our Multi-Tiered System of Supports (MTSS) to ensure that students receive the academic, behavioral, and social-emotional support they need to be successful. Together, these priorities reflect our commitment to knowing our students, responding to their needs, and providing every student with the support and opportunities necessary to succeed today and prepare for tomorrow.

Partnering with Families

We believe education is strongest when schools and families work together. We encourage you to stay connected through our website, social media, newsletters, and school events. Your involvement makes a difference, and we appreciate your partnership in helping every student thrive.

Built Blue

As part of the Woodbridge School District, we are proud to be **Built Blue**—a commitment to respect, achievement, integrity, diversity, excellence, relationships, and service for every learner. Every day, we work together to build confident students, caring citizens, and future leaders.

Thank you for taking the time to learn more about our school. We look forward to partnering with you throughout the school year and celebrating our students' many accomplishments.

Warmly,

Matt Jones
Principal
Woodbridge High School
