ROAR TICKET WINNERS

Every week, our students are recognized for consistently demonstrating our building ROAR expectations! Earning a ticket enters them into a weekly drawing for a very cool prize: a chance to pick out a brand-new book from our PTO book vending machine! Huge congratulations to our winners—keep roaring, LIONS!

Around Our Halls

We are excited to introduce, NOVA, our new service dog in training! We can't wait for her to join us with Officer Shane and Boo!

The Kids Heart Challenge (formerly known as Jump Rope for Heart) is a nationwide, elementary school service-learning program sponsored by the American Heart Association (AHA). Typically running for 2 to 3 weeks during physical education classes, the program focuses on teaching children healthy habits, developing leadership skills, and raising funds to support medical research and children with congenital heart defects. Thank you Mrs. Brunty!

Our school lunchroom was full of extra smiles this past month as we kicked off our monthly birthday tradition! Each month, we honor our birthday students by inviting them to sit together at our special birthday table during lunch. To help celebrate their big day, each student received a special birthday pencil and a commemorative bracelet! Check out the wonderful photos below of our September birthday stars enjoying their celebration. We love making our students feel special, and we look forward to celebrating our October birthdays next!

Cub Calendar
