Custodial/Staffing

\$59.00 per hour when additional District custodial or other applicable staffing is required. The charge applies only when the District incurs an additional staffing cost attributable to the use. Minimum call-out periods, overtime rules, or collective bargaining requirements may apply.

Other Additional Costs

Outdoor facility lighting, specialized field preparation, grounds or maintenance support, security, technology, kitchen services, specialized equipment, setup/teardown, extraordinary cleaning, permits, and other services required for an approved use shall be charged at actual District cost.

Baseball and Softball Field Preparation

Event-specific field preparation, including infield grooming, field lining, mound or batter's-box preparation, base installation/removal, specialized setup, post-use restoration, or additional grounds staffing, shall be charged at actual District cost when required.

Damage or Restoration

The applicant shall be responsible for the actual cost of repair, replacement, restoration, or extraordinary cleaning attributable to the applicant's use.

Facility Availability

Facility use remains subject to District program needs, facility and staffing availability, insurance and safety requirements, field or surface conditions, weather, and other requirements of BP/AR 1330.
