ERECTING AN ADDITION TO ANDERSON ELEMENTARY

Construction of an addition of approximately 41,600 sf that will house a new main office, library/media center, gymnasium and classroom spaces to support moving all K-5 students to the Anderson building.

REMODELING ANDERSON ELEMENTARY

Replacement of mechanical equipment, controls systems, and outdated single pane window systems to improve energy efficiency. The expansion of the kitchen and cafeteria to accommodate the larger K-5 student population.

EQUIPPING, RE-EQUIPPING, FURNISHING AND RE-FURNISHING ANDERSON ELEMENTARY

The purchase and installation of student, new cafeteria, and staff office furniture to supplement reused furniture from the current Anderson and Ryan facilities.

ACQUIRING, INSTALLING, EQUIPPING AND RE-EQUIPPING ANDERSON ELEMENTARY FOR INSTRUCTIONAL TECHNOLOGY

New educational technology such as projectors, monitors and student devices for use in Anderson Elementary.

PREPARING, DEVELOPING, IMPROVING AND EQUIPPING ATHLETIC FIELDS, PLAY FIELDS, PLAYGROUNDS, STRUCTURES, FACILITIES AND SITES

Expansion of the stadium track from six lanes to eight, as well as site work at Anderson Elementary, including new parking lots and drives, separate bus and parent drop-off loops, a new playground, and new play fields.

THE ESTIMATED SIMPLE AVERAGE ANNUAL MILLAGE ANTICIPATED TO BE REQUIRED TO RETIRE THIS BOND DEBT IS 4.67 MILLS

The estimated first year millage rate is 4.98 mills. Over the 25-year term of the bond, it is estimated that property value growth may allow for reduction of the debt millage rate. This expected reduction is estimated to result in an average annual levy of 4.67 mills over the 25-year term.
