CHANGE IN ATTENDANCE STATE LAW

Section 4 Circumstances of Absences The circumstances for all absences from school will be identified
as either “School Excused” or “Not School Excused.”

A School Excused absence includes circumstances where impossible or impracticable barriers outside
the control of the parent or child prevent attendance, including documented physical illness, mental
illness, court appearances, death in the family, suspension, or other circumstances approved by the
administration.

A Not School Excused absence includes absences for vacations, personal events, or other
circumstances that do not qualify as School Excused absences. Excessive absenteeism and truancy
will be addressed in accordance with Nebraska law and Board Policy 5008. Reporting Excessive
Absenteeism to the County Attorney.
