Randolph Public Schools is pleased to offer the use of the gym to students in our school district. We are opening the main gym and walking track during the months of November through March. The schedule will be set monthly after all high school and youth activities are allocated their necessary practice times. There will be an assigned adult “on duty” who will supervise the gym during open gym times. Please carefully review the rules and guidelines established and required for your access to our facilities.

Rules and Guidelines

- Age Restrictions: Students' 6th grade and younger must be accompanied by a parent or guardian.
- Food and Drink: Limit food and drink to water and sport beverages (ex: Gatorade) only. Please clean up any spills.
- Use and Care of Facilities: Be courteous when others are using the gym and walking track. Activities played should be conducive with the gym (in other words, basketball and volleyball, but no football, baseball, etc). Wear gym shoes (not shoes worn outside). No running in the hallways! Access is limited to the main gym!
- Equipment: The school will not be providing basketballs and volleyballs. Please bring your own. These should be indoor balls only.
- Safety Considerations: Wear proper attire for the activity. Ensure proper space between others using the facilities.
- Damages to facilities: In the event damages are sustained, you will be responsible for cost of repair or replacement.
- Liability: Enter at your own risk. By signing and submitting this form, you are stating that you will not hold the school district responsible for accidents and injuries. You also agree that your family is covered by health insurance.
