Superintendent's Note

Greetings MSAD 58 Community,

We are excited to share that both of our Mt. Abram High School soccer teams have qualified for the Class C South Semifinal Game! The Girls Team will be playing at North Yarmouth Academy at 1:00 PM and the Boys Team will be playing Traip Academy at Mt. Abram at 4pm.

We are incredibly proud of our student-athletes and coaches. This level of achievement reflects years of dedication—early practices, long drives, late games, and a tremendous amount of support from our families. Thank you to all the parents, guardians, and community members who have stood behind our athletes every step of the way.

As we get ready to cheer on our teams, I want to offer a few reminders to help make this a positive experience for everyone:

- These games are about celebrating our students. Please help us maintain an environment that reflects encouragement and respect.
- Refrain from yelling negative or derogatory comments toward players, referees, coaches, or other fans. This takes the spotlight away from our athletes and does not reflect who we are as a community.
- Spectators may not sit or stand behind team benches. If you are located in that area, you will be asked to move to the designated fan section.
- If you see or hear anything concerning, please report it to the Athletic Director, Principal, or Superintendent rather than responding at the moment. While tensions can run high, reacting with frustration rarely leads to positive outcomes.
- There will be no gate fee for the game vs. Traip Academy.

Thank you for helping us create a supportive, spirited, and respectful environment for our teams. Let's show up loud, proud, and positive—Go Roadrunners! 💛💙

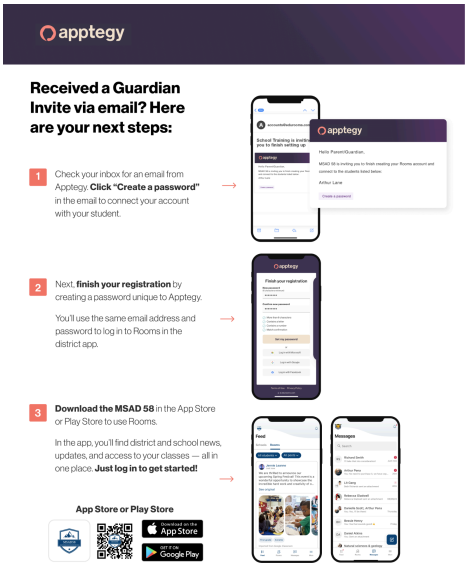

Upcoming Event

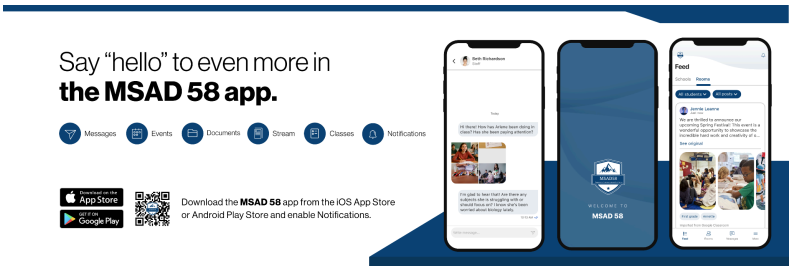

Technology Update

You may have noticed our new district and school websites over the summer. Please take a moment to check out the district site here.

Along with the website, we have a new safe and secure app for parents/guardians to communicate with teachers.

Parent/guardian contact info was pulled from PowerSchool and email invitations for the new app were sent last week. If you didn't receive that invitation, you can still enroll by downloading the app and using your phone number to activate your account. Before contacting your school, please check your spam folder and verify your email address and phone number in your PowerSchool account. After that, reach out to your school so they can share your contact information with our support team who gladly help to get your account activated.

IMPORTANT INFORMATION FOR FAMILIES:

Food Assistance During the Government Shutdown

If you or your family are worried about food during the government shutdown, help is available.

- **School Meals will Remain Available for All Students**
  All students can still get free breakfast and lunch at school every day.

- **Find Local Food Assistance**
  If your family needs food support, call 211, or visit the Good Shepherd Food Bank’s Food Pantry Locator to find help near you. Visit www.gsfb.org/get-help/food-map or scan the QR code.

  FIND FOOD

- **General Assistance**
  Families can apply for General Assistance, which can help meet basic needs including food, housing, utilities, medical costs and more. Visit www.maine.gov/dhhs/ofi/programs-services/general-assistance.

- **Continue to Apply or Renew SNAP Benefits**
  You can still apply for or renew SNAP during the shutdown. If you qualify, doing this now will help make sure your benefits are ready as soon as funding resumes. Apply or renew at: www.mymaineconnection.gov.
