Dear Holland Families:

It has been a joy to welcome our students back to Holland School for the start of another wonderful year. Hearing the halls filled with their laughter and energy once again is truly the highlight of our week.

We would like to extend our sincere thanks to everyone who joined us for Back to School Night on Tuesday, August 25th. We also appreciate your ongoing patience as we refine our morning drop-off and afternoon pick-up procedures. Although we have seen a higher volume of traffic during arrivals over the last few days, your cooperation has ensured a safe and positive start for everyone. We will continue to monitor these routines and make adjustments to improve efficiency as the semester progresses.

A special welcome goes out to our 46 preschool families. Thank you for your trust and patience while our staff safely escorted your little ones to their classrooms. They have already made such a lovely impact on our school culture during their first week.

Our school mascot vote is still underway! We encourage you to take a moment to cast your vote before the end of October. And as we continue to envision our new mascot, we are learning that Warriors are B.R.A.V.E! Thank you for your assistance reinforcing these values at home and sustaining a positive climate and culture for every learner every day.

As we look ahead to next week, we are excited to settle into our full academic routines. Should you have any questions or concerns regarding your child's schedule or any school procedures, please do not hesitate to reach out to us.

Important Upcoming Dates

- **September 4th & 7th:** School Closed (Labor Day)
- **September 12th:** Community Day at the Ridge
- **September 18th:** Early Dismissal (Staff Professional Development)

Sincerely,

Stephanie Snyder
