Dear Families,

We are pleased to share information regarding the morning and afterschool program options available at Davis Academy for the 2026-2027 school year. Currently, there are two distinct programs available to meet your family's needs. Both programs begin on September 9th.

- Afterschool care for Grades 5 - 8 who do not get accepted into the NHPS Afterschool Program

Application Fee: A $50 non-refundable application fee per child is required when submitting your registration.
Enrollment Notifications: Once your child has been enrolled, you will receive a confirmation email. Colony Care aims to notify families of their status as quickly as possible.

Note on Program Transfers

If additional funding or slots become available for the NHPS program for more students or grade levels later in the year, families will have the option to transfer their child from Colony Care to the alternative program. We will keep you updated as we receive more information.

Be well,
