
Subject: Updated Flood Route for Route 16 2025-26

With rain in the forecast and flood season approaching, we have updated the **flood route for Route 16**. Please make sure you have downloaded the **FlashAlert app** on your smartphone and that your contact information is up to date with your student's school so you can receive any school-related updates or schedule changes.

Attached are the updated **flood route stops and times** for your reference. Please note that if we must operate on the flood route, **Sill Road and Pioneer Highway through Silvana will not be serviced**.

As always, once roads are reopened and conditions allow, we will resume the normal route as soon as possible.

Thank you for your attention and cooperation.

Best regards,
