

Arlington School District No. 16
Job Description

JOB TITLE: Para Educator

CLASSIFICATION:	Classified
LOCATION:	Arlington School District
REPORTS TO:	Building Principal/Supervisor
HOURS:	Varies
SALARY:	Per PSE Schedule A

SUMMARY: Under the direction and supervision of certificated staff, the Para-Educator performs tasks related to the monitoring and supervising of students on campus during the day including assisting with instruction, one on one tutoring, classroom management, organization of instructional materials, provide support and assistance in computer laboratory, library or media centers, and assist with the parental involvement activities under the direct supervision, planning and preparation of the teacher. A desire and ability to work with students is essential in this position.

ESSENTIAL DUTIES AND RESPONSIBILITIES may include the following:

- Monitor student activities such as drill, practice, and test-taking after lessons and instructions have been given by the teacher.
- Monitor student behavior and assist in maintaining an orderly classroom atmosphere for the purpose of providing an optimum learning environment, including students with disabilities.
- Perform clerical and supportive tasks for staff that are primarily non-instructional in nature.
- Correct student papers, record grades, prepare supplemental materials, etc. as assigned.
- Monitor students in a variety of settings before, during, or after school.
- Work with students individually and/or in small groups on specific learning tasks and objectives.
- Adapt to a variety of working situations and learn new skills.
- Know and follow health, safety and emergency procedures of the district.
- Work as a positive team member.
- Communicate successfully with staff, students, and parents.
- Demonstrate professionalism through punctuality and minimal absences.
- Promote and practice professional growth and development.
- Follow district guidelines and procedures with regard to student conduct and discipline referrals.
- Ability to use technology to assist the teaching and learning process.
- Provide positive behavioral support and management.
- Use effective strategies to resolve issues.
- Utilize appropriate strategies and techniques to provide instructional support in the teaching and learning process.
- Maintain academic competency for the purpose of providing effective assistance to students
- Practice ethical and professional standards of conduct, including the requirements of confidentiality regarding student and personnel information.
- Performs other related duties as assigned for the purpose of ensuring the efficient and effective function of the organization.
- Other duties as assigned.
