Memorandum of Understanding

This Memorandum of Understanding ("MOU") is between the Arlington School District No. 16 (the "District") and the City of Arlington, acting through its Police Department (the "Department") under the terms set forth below.

A. Background

On 1-5-21, the District and the Department entered into an agreement (the "Agreement") regarding the provision of school resource officer(s) (SRO) for the District's 2020-2021 SRO Program. The Agreement requires the Department to provide the District with an SRO on all school days during the term of the Agreement. The Agreement requires the District to compensate the SRO for days the SRO is "actually at the school or on school business for the period beginning September 1, 2020 and ending the last day of school in June, 2021." The Agreement also provides a description of trainings the Department must certify have been provided to the school resource officer.

As a result of the ongoing COVID-19 coronavirus crisis and response thereto, the District has put into effect a multi-stage plan for the reopening of District schools. The District's schools will be operating in a limited capacity during the initial stages of this plan. The District does not require, and does not intend to request, the services of an SRO while its schools are operating in such limited capacity. The Department does not desire to supply an SRO during any period for which the District deems the services unnecessary.

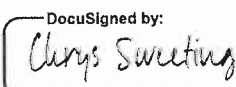

In addition to the trainings listed in the Agreement, the Department agrees to provide or certify that the following trainings have been provided to the school resource officer: mediation, restorative justice, and social justice.

B. Understanding

In light of the foregoing, the District and the Department hereby acknowledge their mutual understanding that the Department will not provide an SRO until such time as the District requests one, and that the District will not be expected or required to pay for the services of an SRO until that time.

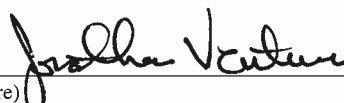

By signing this MOU, the parties do not, and do not intend to, alter any school safety plan, or assess and/or comment on the efficacy of any SRO program.

This MOU will continue in effect until, and terminate upon, such time as the District requests that the Department provide SRO services according to the terms of the Agreement.
