Rationale for granting waiver (check all that apply):

- ☐ Limited or disrupted access to technology and/or academic supports
- ☐ Limited or disrupted access to specific courses needed to complete graduation pathway
- ☐ Limited or disrupted access to exam-based graduation pathway
- ☐ Personal and/or family health concerns
- ☐ Other COVID-19 related impacts

Credit Waiver :

Graduation Pathway Waiver

Completing a Graduation Pathway helps prepare students for what comes after high school. Students may waive this graduation requirement, even if they have met part of the Graduation Pathway as defined in WAC 180-51-230, once they demonstrate post-secondary preparedness for the next steps identified in their High School and Beyond Plan.

For students graduating in 2024, the district may waive the graduation pathway requirement with the following limitations:

- a) If a student receives an emergency waiver of up to one mathematics credit, the student must meet a mathematics pathway option; and
- b) If a student receives an emergency waiver of up to one English credit, the student must meet an English pathway option.
