Master of Arts in Teaching (MAT) Program

**Memorandum of Agreement
Between
Central Washington University
And
Arlington School District**

Central Washington University ("CWU") offers a Master of Arts in Teaching Degree ("MAT Degree") for initial teacher licensure to students enrolled in its Alternative Routes to Certification Program ("Program"). This Memorandum of Agreement ("MOA") outlines the agreement between CWU, an approved Washington State institution offering university credit courses through its Curriculum, Supervision, and Educational Leadership (CSEL) Department, and Arlington School District ("School District"). The purpose of this partnership is for CWU and the School District to work together with an emphasis on "grow your own teacher" strategies to address statewide teacher shortages.

The Program will be carried out in accordance with Washington Administrative Code (WAC) 181-80.

A. General Provisions

The parties agree to the following:

CWU and the School District agree to implement the Program with candidate instruction beginning early January (winter quarter), and mid-June (summer quarter). The Program will offer Routes 2, 3, and 4, as defined in WAC 181-80-020.

The Program will offer a residency certification program with the following endorsement(s):

Bilingual Education*	Biology**	Chemistry**
Computer Science	Dance	Earth Science**
English Language Arts	English Language Learner*	Health and Fitness
History	Library Media	Mathematics
Middle Level Humanities	Middle Level Math	Middle Level Science
Music: Choral and Instrumental	Music: General and Instrumental	Music: General and Choral
Physics**	Reading	Science**
Social Studies	Special Education*	Traffic Safety
Visual Arts		

Central Washington University does not offer endorsements in either elementary education or early childhood education through the MAT at this time.

* Candidates seeking an endorsement that is asterisked must pair it with a second content area endorsement. The second endorsement cannot be special education, bilingual education, English language learner, or Traffic safety.

** Those seeking an endorsement in biology, chemistry, earth and space science, or physics, must add the general science endorsement.

The Program will offer the courses set forth in Appendix A.

B. Responsibilities of the parties

Specific responsibilities of each of the parties are as follows:

CWU will:

1. Identify key faculty member(s) who will work directly with the School District(s) for the Program.
Dr. Denise Shaw

3. Schedule Program courses.
4. Provide appropriate information about each candidate's academic profiles, resume, professional interests and background.
5. Provide key faculty member(s) to implement the Program.

Dr. Denise Shaw Director/Associate Professor, Instructor CSEL Denise.Shaw@cwu.edu 509-963-2259

6. Provide supervision and facilitate learning activities such as peer observation and feedback.

School District will:

1. Identify a key staff member(s) who will serve as a School District liaison to CWU.
2. Provide a description of how the School District intends for the Program to support its workforce development plan.
3. Work with CWU to provide candidates to the Program who are employed by the School District (Routes 2 and 4).
4. Design candidate work plans to provide compensation for clinic and field experience hours wherever possible (Routes 2 and 4).

C. Outcomes:

In order to accomplish the general objectives of this agreement and meet the associated outcomes, CWU and the School District shall perform the specific duties, as outlined herein. The understanding is that the information may be subject to change based upon the School District's program needs, agreed upon by both parties.
