This agreement is hereby entered into by and between the Lake Washington Technical College, District No. 26, King County, Washington, hereinafter referred to as the college, and the Washington State School district listed below, hereinafter referred to as the "resident district":

Arlington School District 16

The purpose of this agreement is to utilize interlocal cooperation, as authorized by RCW 28A.150.275, RCW 28B.50.533 and WAC 392-121-187, or any new statutory authority that may be created during the period of this agreement, to provide vocational-technical educational programs not otherwise available and to avoid duplication of specialized programs and facilities. These objectives will be achieved by the following described cooperative program:

The general purpose of this cooperative shall be to provide vocational-technical educational programs and services, and such basic education services as are necessary to complete simultaneously the high school diploma, to high school students of the resident district at Lake Washington Technical Academy.

The cooperative is expected to serve an average of 350 full-time equivalent students annually during the period 2010-2015 from some or all of the 32 resident districts that historically have sent students to the Lake Washington Technical Academy. Students must complete an attendance variance release, signed by the designated school district official, on enrollment and annually for each school year. A copy will be sent to the school district.

The college will not bill the resident district for any excess costs incurred in providing vocational-technical or basic education programs and services to high school students of the resident district. The college will directly bill the Office of the Superintendent of Public Instruction pursuant to the provisions of RCW 28A.150.275, and will provide monthly reports to the resident district in accordance with WAC 392-121-187 or any new statutory authority that may be created during the period of this agreement. This agreement does not apply to Running Start enrollments.
