Season 4: Track & Field (7th and 8th grade)

*The associated student body (ASB) budget supports our clubs and activities. There are many rules and regulations around this money as it is extra-curricular and not considered part of the academic school day.. The regulations require a yearly purchase of an ASB card which is \$15. This

allows you to participate in any extra curricular sport or activity for the school year. The funds go to pay for supplies and needs of all of the activities throughout the school year.
