September Monthly Progress ~

We will have our September Monthly Progress meetings in the form of an Open House. Families are invited to come on campus and see their child's classroom, talk with the teachers, and meet new friends!

We will have progress reports to hand out at the meeting, if you would like a private, or more in-depth conversation please reach out to the teacher to schedule a meeting.

If you are not able to attend the open house, please reach out to the teacher to schedule another time.

Please note, if your student is marked unsatisfactory, an individual meeting will be necessary so that we can create an intervention.
