 - If your student rides the middle school bus, please know that on Nov. 8th, students will need to make other arrangements to get home.
- Parking lot safety ~
 - We are going to establish two spots for "drop off" in the morning. One spot is in front of the SVLC gate and the second spot is in front of the APPLE gate.
 - Please make sure your students are exiting the car from the passenger side.
 - If you would like to walk your student in, please park in the parking spots on the East side of the parking lot, and use the sidewalk to get to the crosswalk. Please walk with your student.
 - We will do our best to have two staff members out in the parking lot during drop-off time. Reminder the 'best' time to drop off is before 8:50.

Our top priority is keeping students safe!

Please drive safely and patiently through our parking lot.

Arlington Online Program (AOP)

- Please make sure you are logging into your courses each day during the week. Daily progress is very important to the success of the program.
- A reminder that you must complete a weekly check-in every week in order to stay in the program. Weekly check-ins consist of a two-directional academic conversation between the student and their teacher.
- We have loved seeing our AOP students on campus! Please remember to check in at the office before going to the AOP lab.

Possible School Schedule Change	School Starts	School Dismisses
Two hour delay	Two hours later than regular times	Regularly scheduled times
Early dismissal	May be regular or delayed times, watch for message from district	Earlier than regularly scheduled times
Closed	Schools will not open	Schools will not open

We are officially in the season where severe weather or other emergencies may cause changes to the school day. When this happens, schools may need to start late, dismiss early, or close.

Two-Hour Delay

If there is a two-hour delayed start, the following changes will apply:

- School at all buildings will start two hours later than regular
 - At SVLC, onsite classes will begin at 11:00, doors to classrooms will open at 10:50 AM
- Limited bus transportation and no out-of-district transportation
- Athletics and after-school activities may continue as scheduled but they may also be canceled. Please monitor school communications for updates on the status of these events.

Early Dismissal

With this option, school is closed earlier than regular times to respond to weather or other conditions. Families may pick up students from school and we will transport bus riders home on their limited routes. Dismissing school early is generally an emergency action because we need to verify with parents that someone will be at home if school is dismissed early.

Schools Closed

Depending on the weather conditions, canceling school might be an option to keep our students and staff safe on treacherous roads. Athletics and after-school activities may continue as scheduled but they may also be canceled. Please monitor school communications for updates on the status of these events.

Limited Transportation

In adverse weather, bus routes may be limited to main roads. We will provide notification to the community if we must use limited transportation routes.

How we will communicate information about changes to school schedules:

- School Messenger (Emails and/or phone calls and/or text messages)
- Flash Alert Newswire (FlashAlert.net) (See below)
- Social media
- Home page of district website (www.asd.wednet.edu)
- Broadcast Media

How can I find out if there are changes?

Arlington Public Schools uses FlashAlert Newswire to alert the media and community about school delays and closures. Parents, staff, and community members can sign up for these notifications for free by going to this link:

<https://www.flashalert.net/signup.html>

FlashAlert will send out email and/or text notices to you. Please note that you will need to log into your FlashAlert account at least once per year to keep it active. Reminder notifications will be sent to you before the account is closed.

While we know that our students and families are best served when we are open, our main concern is the safety of our students and staff. Typically, decisions regarding schedule changes are made in the early morning before school. This allows for the most current weather information to factor into the decision. This information is generally posted by 5:30 a.m. When it is necessary to close school due to extreme weather conditions or other

unusual circumstances, announcements will be made on local radio and TV stations early in the morning. Please do not call the school office.
We understand that decisions about school schedules and bus route changes have an impact on our families and staff. We appreciate your patience during these situations.

Does your student need new school clothes?

Operation School Bell, sponsored by the Assistance League of Everett, provides new clothes to students who demonstrate financial need and attend school regularly.

Permission for this service must be granted to school personnel by a parent/guardian. If you need this service or know of someone who does, please contact our student support advocate, Rachel Miller. You can reach her by phone (call or text) at 360-386-5972 or by email at Rachel.Miller@asd16.org.

Mrs. Andrews-Falkner won the pizza & bowling party with 6608 minutes read.

We will work with the teachers to help organize the winning class's bowling party.

We will be doing another fully online fundraiser called Popping Popcorn early next month.
