SVLC UPDATES

Welcome back to another year at SVLC! We are excited to see our students back on campus. This year we are starting a new learning opportunity. Our students have access to enrichment course opportunities on Monday.

Our Elementary kids have course offerings from 9:00 - 11:00, lunch from 11:00 - 11:30.

Middle School students have course offerings from 12:30 - 2:30 with lunch at 12:00.

Arlington Online Program (AOP)

- Please make sure you are logging into your courses each day during the week. Daily progress is very important to the success of the program.
- A reminder that you must complete a weekly check-in every week in order to stay in the program. Weekly check-ins consist of a two-directional academic conversation between the student and their teacher.
- We have loved seeing our AOP students on campus! Please remember to check in at the office before going to the AOP lab.
- Mrs. Sabol will be moving into our kindergarten position. We will be hiring a long-term sub to work in K-8 AOP until Mrs. Johnson returns in November.
