SVLC - Program Updates

SVLC UPDATES

- We are beginning to build our class lists for next school year. Please complete [this form](#) to let us know what your plans are for the next school year. This form will be open until March 29th. Beginning in April, we will fill open spots with families on the waitlist. Please reach out with any questions or concerns!

Arlington Online Program (AOP)

- Please make sure you are logging into your courses each day during the week. Daily progress is very important to the success of the program.
- A reminder that you must complete a weekly check-in every week in order to stay in the program. Weekly check-ins consist of a two-directional academic conversation between the student and their teacher.
- We have loved seeing our AOP students on campus! Please remember to check in at the office before going to the AOP lab.

SVLC On-Site Students

- Please remember to call our Attendance line to report an absence.
- Our Lost and Found is overflowing! Please take a moment and look through our lost and found bin. We will be donating the remaining items on **MARCH 29th!**
- **We do not have any working microwaves in the lunch room. Please do not send food to be heated during lunch this week.**
 - If your child is planning on having hot lunch, please remember to complete the Google Form that is sent out each Sunday.

Parking Lot Safety

For the safety of all students and staff, please follow our parking lot rules:

- If you need to get out of your car to assist your student, please pull into a parking spot on the East end of the parking lot and walk your student safely to the SVLC sidewalk (use the crosswalk).
- If you are using our drop-off zone (where we have our sign each morning) please don't let your students out of the car until you get to the official drop-off space. Mrs. Wiersma will be standing there to help ensure kids get to the sidewalk safely.
- Drive slowly. Please do not try to pass people in the line.
- When picking your student up, please do not block other cars in while you are waiting. If your child isn't ready, please pull into an available spot.

We appreciate your continued patience. Working together we can keep our students safe!
