SVLC - Program Updates

SVLC UPDATES

- Our Student Showcase Event will be on 4/25/24. If your student is planning on entering a science fair project, please complete [this form](#). The Science Fair is open to both onsite and AOP students.

Arlington Online Program (AOP)

- Please make sure you are logging into your courses each day during the week. Daily progress is very important to the success of the program.
- A reminder that you must complete a weekly check-in every week in order to stay in the program. Weekly check-ins consist of a two-directional academic conversation between the student and their teacher.
- We have loved seeing our AOP students on campus! Please remember to check in at the office before going to the AOP lab.

SVLC On-Site Students

- Please remember to call our Attendance line to report an absence.
- **We do not have any working microwaves in the lunch room. Please do not send food to be heated during lunch this week.**
 - If your child is planning on having hot lunch, please remember to complete the Google Form that is sent out each Sunday.

Parking Lot Safety

For the safety of all students and staff, please follow our parking lot rules:

- If you need to get out of your car to assist your student, please pull into a parking spot on the East end of the parking lot and walk your student safely to the SVLC sidewalk (use the crosswalk).
- If you are using our drop-off zone (where we have our sign each morning) please don't let your students out of the car until you get to the official drop-off space. Mrs. Wiersma will be standing there to help ensure kids get to the sidewalk safely.
- Drive slowly. Please do not try to pass people in the line.
- When picking your student up, please do not block other cars in while you are waiting. If your child isn't ready, please pull into an available spot.

We appreciate your continued patience. Working together we can keep our students safe!

Stillaguamish Valley Learning Center annual school performance report now available!

Stillaguamish Valley Learning Center 2022-23 annual school performance report is now available on the SVLC website at this link. The purpose of the Stillaguamish Valley Learning Center annual school performance report is to inform parents, guardians and other members of the community about student performance. The report includes school-level plans to achieve student learning goals and other information.

SVLC Mission/Vision Statement

Vision:

Stillaguamish Valley Learning Center envisions a partnership between home, school, and the community where each is an active participant in student-centered academic and social-emotional growth.

Mission:

With student learning as our primary focus, we are committed to:

- A unique instructional design where individual student needs are met
- Project and problem-based learning opportunities to promote deep understanding by means of rich tasks
- Long-term relationships with families to encourage life-long learners

Watch our Facebook page!

We will posting "Stilly Shout Outs" to celebrate our awesome SVLC students, grades K-12!
