Math Activity 1: Skill Review

Show what you remember of the skills we have learned this year!

One Book One Fred

Check in each day with your OBOF Calendar and answer the discussion questions in your journal, for *Unplugged.*

Personal Reading

Take 30 minutes to read any text/book of your choice. Write about what you read in your journal.

Math Activity 2: Fact Families

Remember to also study your multiplication facts through 12.

3rd Grade!!

Work-at-Home Gameboard

1. Complete 1 math activity each day (most are front and back).
2. Complete 1 "other" activity each day, along with your One Book One Fred assignments, and your Specials Choice Board.
3. Cross off the spaces on your game board as you complete each activity.
4. Keep all of your work on the worksheets given or in your journals so we can review when we return to school.

Writing

In your journal, write a fictional story about the "Great Snow Adventure." What would the perfect snow day look like to you? What would you do?

Science

Have SNOW much fun. Use the recipe included to create SNOW CREAM with your family!

Nonfiction Reading

Find a nonfiction piece of text. Write down 3 new facts you learned about the topic!

Math Activity 3: Skill Review

Show what you remember of the skills we have learned this year!

Play a game

Play any game with a family member, pet or friend... snap a picture and send it to us on TALKING POINTS for a prize!

Math Activity 4:

Kiran had 147 stickers in his box. Then, he bought 4 more packs of 6 stickers. How many stickers does Kiran have now?

Test Prep Activity

Work on the Smarter Balanced Test Prep Pack for this week.

Move around!

Get up and move! Go outside and play. Do something fun. Take a picture and send it to us on TALKING POINTS for a prize!
