IMMUNIZATION CLINIC

During Parent/Teacher Conferences

Ovid-Elsie Area Schools + Village Care Pharmacy

Thursday, October 15, 2026
3:00 – 5:00 PM

Information Center (IC)
Ovid-Elsie High School/ Middle School

It's time to get your flu shot!

Or, if you or your student is due for other recommended immunizations, stop by our clinic!

Several vaccines will be available.

Scan the QR code or click here to view available vaccines and complete the interest form.

Completing the form does not commit you to receiving a vaccine. It simply helps Village Care Pharmacy prepare enough vaccine and supplies for the clinic.

BEFORE THE CLINIC

- A parent or legal guardian must accompany students receiving a vaccine.
- Please bring your insurance information and identification.
